

2023

20 years!

Over the years, we've learnt, we've grown, and we continue to expand. The catalogue boasts over 1,000 half hours of high quality children's programming and our shows have been sold to over 300 countries.

We continue to work with great creators, buyers and producers around the world to help them get their babies made and seen.

In Ontario, 19 is a big year. You're finally able to have a drink, legally.

So, let's raise a glass.

Captain Otto & the Adventure Squad

They're on it!

Otto and his 4 friends love to play together.

What's more, the kids always find themselves in the thick of a grand adventure. That's when they band together, and turn into their alter egos! Otto becomes a captain, Mari - a performing artist, Noah - a detective, Curie a doctor and Leo a sports hero. And with their skills, brains, intuition and a lot of imagination, they save the day. But, are they going into their imagination, or really living these adventures?!

The series taps into adventure, imagination and adventure. Some episodes are more real, and some more fantastical!

Monster Loving Maniacs

Taking over the family business requires some modernization.

Join Edith, Ernest and Bo, three siblings, who are being trained as monster hunters by their tough old grandfather. These kids are massive horror fans who love dangerous mythical creatures, which doesn't quite match their grandfather's old-school ideas. So, as soon as grandpa takes one of his many naps, they look for a way to save the monsters rather than hunt them.

Monster Loving Maniacs is an animated comedy for 6-10 year-olds. It is exciting, funny and unsurprisingly has lots of monsters while also touching wider themes such as families, relationships and coping with our fears.

WishFart

What could go wrong?

Dez is an optimistic but rookie leprechaun who is still learning to wield his powers. He wants to hang out with his friends, and grant wishes because it's a totally boss thing to do. Mostly the wishes he grants have a way of going sideways, getting out of control, spazzing in extraordinarily random directions, and tearing apart the fabric of the multiverse. Alongside him the whole way, are his best friends, a ghost girl, Akiko and a puffin named Puffin. They scramble to undo the consequences of wishes he's granted that have gone fantastically wrong.

I'm a Dino

Meet the dinosaurs as they present the world they lived in, more than 65 million years ago!

What better way to learn about the ancient beasts that roamed our planet than to let them introduce themselves? Each dinosaur brings their world to life in their own inimitable style, confiding their quirks, strengths and weaknesses.

We meet a greedy young Triceratops, a Brachiosaurus who's a little sensitive about her size, and many more dinosaurs who'll tell us fun facts about themselves. Discover their size and shape, what (and who!) they like to eat, whether they have horns, scales or frills, and whether they can fly, run or swim.

From the tiny-brained Minmi to the mighty T-Rex, a huge variety of dinosaurs finally get their chance to chat on camera.
